## About Marcus Autism Center

Marcus Autism Center is a not-for-profit organization dedicated to comprehensive diagnosis and treatment of children with autism and related disorders. It treats more than 4,000 children a year and is committed to helping children realize their greatest potential. It is staffed with highly trained pediatric professionals who receive some support through research grants from the National Institutes of Health (NIH) and the Centers for Disease Control and Prevention (CDC). Marcus Autism Center relies on generous philanthropic support from corporations, foundations and community leaders, as well as funding from local and state governments. Visit [www.marcus.org](http://www.marcus.org) for more information.

## About Atlanta Hospital Hospitality House

Atlanta Hospital Hospitality House (AHHH) is a not-for-profit organization that has served the needs of more than 20,000 families and individuals in its 28-year history. Called the House with a Heart, the AHHH helps the financially fragile navigate a family medical crisis by providing a home away from home to out-of-town family members of patients hospitalized in 21 Atlanta hospitals.

On a daily basis, the AHHH strives to use donations and aid to operate a cost-effective, well-maintained and safe facility. Guests at the house receive lodging, meals and supportive companionship. The only thing the AHHH asks of guests is a \$10-a-night donation to help operate the facility.

The addition of The Home Depot Marcus Hospitality Cottage enhances the capacity for eight more guests a night and extends the ability of Marcus Autism Center to help those in need. Visit [www.atlhhh.org](http://www.atlhhh.org) for more information.

Together we hope to raise funds through the golf tournament to help keep the lights on, dinner in the oven and a warm smile for our guests.

Visit [www.marcus.org/events](http://www.marcus.org/events) for more information about this and all events benefiting Marcus Autism Center.

As a not-for-profit organization, Marcus Autism Center produces materials in-house using the most cost-efficient paper and printing techniques.

## About the Tournament's Cause

Proceeds from the Cottage for the Kids Golf Tournament go to The Home Depot Marcus Hospitality Cottage. Marcus Autism Center has partnered with the Atlanta Hospital Hospitality House (AHHH) and The Home Depot to develop this cottage for children and their families who need a place to stay while traveling to Atlanta for treatment at Marcus Autism Center or local hospitals.

Funds from the Cottage for the Kids Golf Tournament will provide maintenance for the cottage, including utilities, insurance, services and food. The cottage is energy-efficient, handicap accessible and has four family suites and a kitchen in a safe, comfortable environment. The facility is managed by AHHH and provides the guests hearty, home-cooked dinners every night.
