

COVID Safety Bags

Because many of our patients are immune suppressed, COVID-19 is a big concern. COVID Safety Bags provide our house guests with items to protect themselves from the COVID-19 virus.

What is a Covid Safety Bag?

The bags are meant to be carried with patients and guests as they travel to and from the house. It contains items to help stop the spread of the COVID-19 virus.

Below are items to include:

- Set of 3 Face Masks
- Disinfectant Spray
- Disinfectant Wipes
- Set of Plastic Gloves
- Bottle of Hand Sanitizer
- Travel size laundry detergent

What does a COVID Safety Bag look like?

COVID Safety Bags contain the 6 items recommended for protection by the CDC for when a person is traveling.

Items are placed in a large ziplock bag or plastic container and are given to guests at the time of checking in.

Sew or create hand made fabric masks

Feel free to include an inspirational card, quote, or instructions on "How to Stay Safe" in the Time of Covid-19.

Bags can be dropped off at the Hospitality House
(1815 S Ponce de Leon NE, Atlanta) during regular business hours, 9 a.m.-5 p.m.

Due to COVID, visitors are not allowed in the House at this time.
