Meals from the Heart

The Meals from the Heart program offers volunteer groups ranging in size from 2–10 people a fun and rewarding way to support families staying at the House.

Meals from Heart volunteers plan, purchase, prepare and serve meals every night of the year at our "Home Away From Home" located in Druid Hills (minutes from Emory).

Meals can be prepared on site, in a commercial kitchen from your church, business/school, or restaurant.

Takeout and delivery is perfectly acceptable.

- Dinner is served at 6:00pm every night; groups typically arrive at 3:00pm to prepare their meal.
- Helping Hands Meals is an option for groups looking for a daytime volunteer activity. Groups prepare the meals that are then served that evening or later in the week. You are home at your normal time.
