Adopt a Meal Program

In response to the COVID-19 pandemic, AHHH suspended in person volunteer opportunities, including the volunteer meal program.

We are still Caring for Families and Need Your Help!

About the Adopt-a-Meal Program

The Adopt-a-Meal program provides a much needed service to families and patients that are in the middle of life saving medical treatments. Often, caregivers and patients do not have the time, resources, or energy to prepare healthy meal for themselves.

The program allows friends, families, co-workers, school, community, and church groups to virtually help AHHH deliver nutritious meals to families staying at the House.

The **Adopt a Meal Program** is an easy way to support families in one of the following ways:

1. Select A Date

Confirm the Date with Guest Services Staff

Email-Sheila@atlhhh.org
